

Saturday Arvo Art & Design

6 week courses

Drawing – Learn to Draw with Gian Manik

Learn techniques that develop your own visual language, working through various approaches to drawing, from quick sketching to more photorealist techniques. Use these skills to develop a more realised piece of work with the human figure as the central subject.

Saturdays 10 May – 14 June **2pm – 5pm** **\$120/ members \$108**

Jewellery – Match it Up in Silver with Nicole Lance

Learn to design and make sets of contemporary earrings, pendants, bracelets or rings in silver. Techniques include soldering, sawing, filing and creating textured surfaces in silver.

Saturdays 10 May – 14 June **2pm – 5pm** **\$120/ members \$108**

Also available as a morning class

Saturdays 10 May – 14 June **10am – 1pm** **\$120/ members \$108**

Fashion – Top it Off with Angela Ferolla

Learn how to find inspiration & ideas to start the fashion design process, how to manipulate fabric with a range of textile techniques, and how to translate these ideas and designs into clothing. Simple pattern making and sewing skills will be demonstrated, enabling you to create a totally unique contemporary top. Come away with knowledge, new skills and a hot top with soul and personality.

Saturdays 10 May – 14 June **2pm – 5pm** **\$120/ members \$108**

Artwork by tutor and artist Sarah Elson

Sculpture & Jewellery – Possibilities in Metal Casting with Sarah Elson

An introduction to the specialist technique of lost wax (or lost material casting) as a medium for creative expression. Small scale forms in metal will be cast using a vacuum method (with the potential for on-casting and inclusion casting) and then manipulated using basic jewellery techniques. Create exceptional sculptural or wearable works. No experience necessary, but also suitable for experienced artists.

Sundays 11 May – 15 June 2pm – 5pm \$120/ members \$108

3 week courses

Sculpture with Robyn Varpins

Create your own handbuilt forms in clay. Learn the techniques and tools required to master clay sculpture work.

Saturdays 21 June – 5 July 2pm – 5pm \$75/ members \$68

Jewellery & Sculpture – Possibilities of Metal Casting with Sarah Elson

An introduction to the specialist technique of lost wax (or lost material casting) as a medium for creative expression. Small scale forms in metal will be cast using a vacuum method (with the potential for on-casting and inclusion casting) and then manipulated using basic jewellery techniques to create sculptural or wearable works. No experience necessary, but also suitable for experienced artists.

Saturdays 21 June – 5 July 2pm – 5pm \$75/ members \$68

An Introduction to Drypoint Printing **NEW** with Shana James

Discover drypoint printing, the technique of scratching a drawing into a metal plate with a needle or other sharp tool. Learn how to construct an image suitable for print, prepare a printing plate, and then print your image on the Arts Centre's etching press.

Saturdays 21 June – 5 July 2pm – 5pm \$75/ members \$68

Life Drawing Sessions

These life drawing sessions are for complete beginners to professional artists. Relaxed, without a teacher, the sessions are a great opportunity to gain more drawing experience. Please book your place in advance as studio space is limited.

Saturday 21 June female model 2pm – 4pm \$15

Saturday 5 July male model 2pm – 4pm \$15
